ASSASSINATION OF
SENATOR ROBERT F. KENNEDY
LOS ANGELES, CALIFORNIA
JUNE 5, 1968

Joseph Strong, International Sales Manager, Spencer Laboratories Division, Raytheon Company, Wayside Avenue, Burlington, Massachusetts, advised on September 12, 1968, that on May 18, 1968, he was a passenger on an Alitalia Airlines flight from Rome, Italy, to Beirut, Lebanon, arriving at the above destination around 3:30 p.m. on that date. He recalled that there was only one other first-class passenger on the above flight; and he was furnished a business card by this man reflecting his identification as follows:

Said Abdel-Malek
Sales Manager in Nigeria for
Middle East Airlines
Okunola House
17 Martins Street
Lagos, Nigeria

Business Telephones: 26832
24420

Residence: Post Office Box 1117

Telephone: 27057

BS 44-646

Strong stated Abdel-Malek was reading an Arabic language newspaper, apparently purchased by him in Rome prior to the flight, and he commented to Strong about an article in the paper reporting a rumor to the effect that United States Senator Robert F. Kennedy had been shot. Strong stated that he himself was unable to read the article inasmuch as he could not read or translate Arabic.

Strong stated he recalled commenting about the article to an unidentified American male later on May 18, 1968, in a bar in Beirut; but he never read or heard anything further in newspapers or on radios concerning the rumor in the days immediately following May 18, 1968. J
